Facts about December

December is the 12th month of the year in the Julian and Gregorian calendars.

The ancient Romans initially made December the 10th month, but later, when January and February were added, December became the final month, in the northern hemisphere, this month has the shortest daylight hours of the year.

- The word December comes from the Latin word for “ten.”
- December often marks the beginning of rain and snow and cold weather.
- Saint Nicholas, who would eventually be called Santa Claus, was one of the patron saint of children, pawn brokers and thieves!
- The Christmas tradition is thought to be started in Germany.
- The most popular Christmas songs are “Jingle Bells” and “Silent Night.”
- “Jingle Bells” was composed in 1857, and not for Christmas-it was meant to be a Thanksgiving song.
- The traditional flower of December is Holly.
- Ancient folklore says that forest animals have the ability to speak in human languages on Christmas Eve.
